Warm-Temperate Deciduous Forests around the Northern Hemisphere - Elgene O. Box 2014-12-29

Warm-temperate deciduous forests are "southern", mainly oak-dominated deciduous forests, as found over the warmer southern parts of the temperate deciduous forest regions of East Asia, Europe and eastern North America. Climatic analysis has shown that these forests extend from typical temperate climates to well into the warm-temperate zone, in areas where winters are a bit too cold for the 'zonal' evergreen broad-leaved forests normally expected in that climatic zone. This book is the first to recognize and describe these southern deciduous forests as an alternative to the evergreen forests of the warm-temperate zone. This warm-temperate zone will become more important under global warming, since it represents the contested transition between deciduous and evergreen forests and between tropical and temperate floristic elements. This book is dedicated to the memory of Tatsuō Kira, the imaginative Japanese ecologist who first noticed and described this general zonation exception and who proposed the name warm-temperate deciduous forest.

Football Fans Around the World - Sean Brown 2013-09-13

This volume investigates the way in which football supporters around the world express themselves as followers of teams, whether they be professional, amateur or national. The diverse geographical and cultural array of contributions to this volume highlights not only the variety of how fans express themselves, but their commonalities as well. The collection brings together scholars of North and South America, Europe, Asia and Africa to present a global picture of fan culture. The collection shows that while every group of fans around the world has its own characteristics, the role of a football fan is laced with commonalities, irrespective of geography or culture. This book was previously published as a special issue of Soccer and Society.

Rocking Around the Clock - E. Ann Kaplan 2016-04-14

The first non-stop rock video channel was launched in the US in 1981. As a unique popular culture form, MTV warrants attention, and in this, the first study of the medium, originally published in 1987, Ann Kaplan examines the cultural context of MTV and its relationship to the history of rock music. The first part of the book focuses on MTV as a commercial institution, on the contexts of production and exhibition of videos, on their similarity to ads, and on the different perspectives of directors and viewers. Does the adoption of adolescent styles and iconography signal an open-minded acceptance of youth's subversive stances; or does it rather suggest a cynicism by which profit has become the only value? In the second part of the book, Kaplan turns to the rock videos themselves, and from the mass of material that flows through MTV she identifies five distinct types of video: the 'romantic', the 'socially conscious', the 'nihilistic', the 'classical', and the 'postmodern'. There are detailed analyses of certain videos; and Kaplan focuses particularly on gender issues in videos by both male and female stars. The final chapter explores the wider implications of MTV. What does the channel tell us about the state of youth culture at the time?

Family Therapy Around the World - William Nichols 2014-07-16

An international celebration of the work of Florence W. Kaslow! *Family Therapy Around the World: A Festschrift for Florence W. Kaslow* celebrates the life and work of the distinguished family therapist with an international collection of essays that reflects the dynamic state of clinical practice, research, and theory. Professionals and practitioners from 15 countries honor Dr. Kaslow's pioneering contributions to family therapy and family psychology by offering practical solutions to the real, everyday problems that affect today's world. The essays are varied and extensive, incorporating cultural and social factors to explore new territory in family therapy through cutting-edge research, clinical cases, and theoretical developments. *Family Therapy Around the World* recognizes the profound influence of Dr. Kaslow, who was instrumental in the adoption of the *Journal of Family Psychotherapy* as the official journal of the International Family Therapy Association (IFTA). The spirit of her work flows through the book's essays, which represent the latest thinking and practice developments from clinicians, theoreticians, and researchers around the world. The book paints a clear portrait of the current state of family therapy

across the globe, including contributions from Japan; the United Kingdom; Israel; India; Argentina; Russia; Sweden; Iceland; Yugoslavia; Italy; Australia; Norway; Chile; and the United States. Topics examined in Family Therapy Around the World include: salutogenic family therapy (Sweden) working with abusing families (United Kingdom) family life in an atmosphere of chronic stress and social transformation (Yugoslavia) adult children dealing with parental divorce (Italy) exploring culture in practice (United Kingdom and India) fathers who make a difference (Argentina) sex avoidance among young couples (Israel) working toward triadic communication with problematic families (Japan) and much more! For decades, Dr. Florence Kaslow has been an active practitioner, editor, author, teacher, and researcher. Family Therapy Around the World: A Festschrift for Florence W. Kaslow represents a small sampling of the effect her work has had on the family therapy community across the globe.

Around the World in 366 Tales - September Surprises - Steve Wilson 2019-06-26

Ten-year-old Sadie Meadows is reading in bed on New Year's Eve when she notices an unopened present beneath her window. She finds it contains a book called The World from Your Bedroom - There and Back Again, but when she opens it up and begins to read, she is disappointed to see it is nothing more than a travel book packed with pages detailing hundreds of places across the world. She reads the first page, then puts the book down just as sleep claims her at the instant that the New Year arrives. She awakes to find that, instead of being in her bedroom at home in Skipton, somehow she has been transported to Ireland, the location that she had just read about in the book. There follow a series of adventures, each set in a different location, as Sadie finds herself travelling across the globe as she attempts to get back home again. This month sees her journeying across China and the Far East into the Indian subcontinent and the Middle East.

Writing Around the Ancient Mediterranean - Philippa M. Steele 2022

Writing in the ancient Mediterranean existed against a backdrop of very high levels of interaction and contact. In the societies around its shores, writing was a dynamic practice that could serve many purposes from a tool used by elites to control resources and establish their power bases to a symbol of local identity and a means of conveying complex information and ideas. This volume presents a group of papers by members of the Contexts of and Relations between Early Writing Systems (CREWS) research team and visiting fellows, offering a range of different perspectives and approaches to problems of

writing in the ancient Mediterranean. They focus on practices, viewing writing as something that people do within a wider social and cultural context, and on adaptations, considering the ways in which writing changed and was changed by the people using it.

Teaching Psychology around the World - Jacquelyn Cranney 2011-10-18

The Book of Seeds - Paul Smith 2018-04-06

Seeds are nature's consummate survivors. The next time you admire a field of waving green grassland or a stunning grove of acacia, stop to consider how it got that way—often against incredible odds. Seeds can survive freezing temperatures and drought. They can pass through our digestive systems without damage and weather a trip across the ocean, hitching a ride on marine debris. They can even endure complete desiccation, a feat taken to extraordinary lengths by the date palm, a seed from which was recovered from the palace of Herod the Great was germinated after some two thousand years. The Book of Seeds takes readers through six hundred of the world's seed species, revealing their extraordinary beauty and rich diversity. Each page pairs a beautifully composed photo of a seed—life-size, and, in some cases, enlarged to display fine detail—with a short description, a map showing distribution, and information on conservation status. The whole spectrum of seeds is covered here. There are prolific species like corn and less widely distributed species, like the brilliant blue seeds of the traveler's palm or the bird of paradise flower, aptly named for its distinctive orange coiffure. There are tiny seeds and seeds weighing up to forty pounds. And while seeds in all their shapes, sizes, and colors grant us sustenance, there are even some we would be wise to treat with caution, such as the rosary pea, whose seeds are considered more toxic than ricin. The essential guide to these complex plant creations, The Book of Seeds offers readers a rare, up-close look that will inspire scientists and nature lovers alike.

Once More Around the Park - Roger Angell 2001

The most celebrated baseball writer of our time has selected his favorite pieces from the last forty years to create *Once More Around the Park*, a definitive volume of his most memorable work. Mr. Angell includes writing never previously collected as well as selections from *The Summer Game*, *Five Seasons*, *Late Innings*, and *Season Ticket*. He brings back the extraordinary games, innings and performances that he has witnessed and written about so astutely and gracefully—"The Interior Stadium," on the complex attractions of baseball; "In the Country," on a friendship that began with a fan letter and took him far from the big stadiums and big money; "The Arm Talks," on contemporary pitching strategy and the arrival of the split-finger delivery; and many others. Mr. Angell's conversations with past and present players and managers, scouts and coaches, rookies and Hall of Famers enhance his own expertise and critical appreciation, which define him as the game's most useful and ardent fan. "Angell resembles a pitcher with pinpoint control. As a chronicler of the game, he's in a class with Ring Lardner and Red Smith."—*Newsweek*. "Angell's perceptions are fresh, vivid, and uncannily accurate.... Only a fan who cares

this much could observe so carefully and write so eloquently."-San Francisco Chronicle. "A triumph of art and grace."-Chicago Tribune Book World. "In the course of a well-lived century, he established himself as . . . baseball's finest, fondest chronicler." -The New Yorker

Traveling Around the World with Mike and Barbara Bivona - Mike Bivona 2013-11-01

Mike and Barbara Bivona have danced their way around the world, embracing the colorful rhythms of each country and culture in their travels. Now, Mike, the author of Dancing Around the World with Mike and Barbara Bivona, returns to share more of their globe-trotting adventures in part one of a new travel memoir series. While cruising the islands, they witnessed lava flowing into the surf off the shores of Hawaii and danced on a nightclub floor that once saw the white-uniformed officers of the warships anchored at the naval station in Pearl Harbor. Mike describes the thrill and challenge of learning the intricate steps of the Argentine tango in Buenos Aires and, more importantly, absorbing its proper attitude from master dancers. The brimstone fumes wreathing the slopes of Mt. Vesuvius transported them back in time, as the frozen bodies of the unlucky residents of Pompeii and Herculaneumas well as the evidence of Romans lively erotic imagination left on walls and sculptured into clayinspired numerous colorful conversations. Mike and Barbaras shared passion for art and history has led them to seek out the haunts of other lovers of adventureColumbus, Ponce de Leon, General Custer, circus impresario John Ringling, and the elderly jazz musicians in New Orleans. Part memoir and part travelogue, this volume offers you a trip around the world with the Bivonaswithout ever leaving your chair. Traveling Around the World with Mike and Barbara Bivona by Michael Bivona CPA, published by IUniverse, was a winner in the Annual Eric Hoffer Awards for Short Prose and Independent Books 2014 for eBooks nonfiction The US Review of Books reviewed by Barbara Bamberger Scott.

Around the Village Green - Dot May Dunn 2014-07-03

The heart-warming tale of a wartime childhood. It's 1939 and little Dot May Dun is playing with her brothers in the quiet lanes of their Derbyshire village. The grown-ups' talk of war means very little to Dot but things are starting to change in the village, for good. When a prisoner of war camp is built close to Dot's village, and a Yankee base is stationed nearby, Dot makes friends with the most unlikely of soldiers. But her friendships are threatened when telegrams start to arrive in the village and the real impact of war bears heavily on this close-knit mining community. From little lives spring great tales. Dot's childhood memoir shares the universals of innocence, love, loss and friendships. THE VILLAGE will move and entertain in equal measures.

Whether you have just an afternoon, a whole day, a free weekend, or a whole week to explore our wonderful country, this book will guide you to 80 of the most interesting, fun and picturesque seaside spots our coast has to offer. Starting at Liverpool, one of the most fashionable tourist destinations in Europe, the book travels clockwise up to Scotland, down the east coast, across the southern shores, up through Wales and back to the northwest of England. It calls in at exciting seaside towns like Blackpool, Brighton and Newquay, and also invites you to explore the more tranquil coastal stretches, such as Balnakeil, Gower Peninsula and the Lizard. Covering nine coastal regions of Britain, chapters provide insights into the history, culture and key features of each place, how to get to there, where to eat -

including the best places for fish and chips, and where to stay. Accompanied by beautiful photography and a handy map, and introduced with an entertaining and evocative Foreword by Ian McMillan, the book will delight families, couples and solo explorers of all ages and with all budgets. We all know there's so much more to explore and enjoy in our beautiful country – this book will help you do just that.

Regulating Alcohol around the World - Tiffany Bergin 2016-04-08

With the World Health Organization estimating that nearly four percent of global deaths are due to alcohol, alcohol misuse can be an extremely damaging social problem, and one that governments around the world have endeavored to address through a range of policy strategies. *Regulating Alcohol around the World* explores historical and contemporary case studies in multiple countries to gain a richer understanding of the political, economic, and other forces that influence alcohol-related policymaking. The case studies presented in the book investigate a range of different kinds of alcohol policies, including prohibition strategies, general efforts to reduce alcohol's social harms, and more targeted policies. The explanatory value of leading theories from political science, policy studies, anthropology, and other fields is assessed, with particular reference to the influence of cultural and historical factors on approaches to alcohol regulation. The book adopts a global perspective and offers guidance for students, researchers, practitioners, policymakers, and other stakeholders about the lessons that can be learned from previous efforts to change alcohol policies. As such, it will be of interest to practitioners in the fields of health and alcohol abuse prevention, as well as scholars and students of social policy, criminology, and the sociology of health, addiction, and social problems.

The Book of Orchids - Mark W. Chase 2017-03-13

One of every seven flowering plants on earth is an orchid. Some are stunningly over the top; others almost inconspicuous. The Orchidaceae is the second most widely geographically distributed family, after the grasses, yet remains one of the least understood. This book will profile 600 species, representing the remarkable and unexpected diversity and complexity in the taxonomy and phylogeny of these beguiling plants, and the extraordinary means they have evolved in order to ensure the attraction of pollinators. Each species entry includes life-size photographs to capture botanical detail, as well as information on distribution, peak flowering period, and unique attributes--both natural and cultural. The result is a work which will attract and allure, much as the orchids themselves do.

Birthdays Around the World - Margriet Ruurs 2017-09-05

Green Growth That Works - Lisa Ann Mandle 2019-09-12

Rapid economic development has been a boon to human well-being, but comes at a significant cost to the fertile soils, forests, coastal marshes, and farmland that support all life on earth. If ecosystems collapse, so eventually will human civilization. One solution is inclusive green growth--the efficient use of natural resources. Its genius lies in working with nature rather than against it. *Green Growth That Works* is the first practical guide to bring together pragmatic finance and policy tools that can make investment in natural capital both attractive and commonplace. Pioneered by leading scholars from the Natural Capital Project, this valuable compendium of proven techniques can guide agencies and organizations eager to make green growth work anywhere in the world.

Military Social Work Around the Globe - Mary Ann Forgey 2022-11-14

This is the first book to focus on the scope of social work practice within military settings from an international perspective, and therefore addresses what has been a significant gap in the literature. Given the critical support needs of military personnel and their families worldwide, and the expanding role of social work in responding to these needs, this book offers a comprehensive global understanding of the common military social work (MilSW) practices with active duty military service members and their families, as well as the forms of practice and approaches that are unique, or potentially transferable

across nations. Based on a systematic inquiry conducted by the Editors, there are at least 25 countries that have social workers working directly within their country's military in either a civilian or uniformed capacity, or both. This book includes contributions from experts in Australia, Canada, Denmark, Finland, Ireland, Israel, the Netherlands, New Zealand, South Africa, the UK, and the USA, who describe various aspects of the MilSW role within their country and the research that informs what military social workers do. The MilSW similarities and differences among these countries are highlighted, including developmental milestones, practice settings, practice orientation and approach, ethical dilemmas, military to veteran transition support, and past and current challenges. Experts from countries that do not yet have MilSW but are interested in developing it (Japan, Ukraine) or are in the process of establishing this area of practice (Slovakia), also contribute chapters about these developments and the evidence base that supports this direction. Military Social Work Around the Globe is a valuable resource for social work programs and essential reading for instructors and students in MilSW electives and specializations. It is also pertinent reading for occupational social work and international social work courses. In addition, this book is an important source of information for military social workers who would like to gain insights into existing programs and the possibilities for international collaboration, and for countries interested in developing MilSW.

Hands Around the Library - Karen Leggett Abouraya 2012-08-30

The inspiring true story of demonstrators standing up for the love of a library, from a New York Times bestselling illustrator. In January 2011, in a moment that captured the hearts of people all over the world, thousands of Egypt's students, library workers, and demonstrators surrounded the great Library of

Alexandria and joined hands, forming a human chain to protect the building. They chanted "We love you, Egypt!" as they stood together for the freedom the library represented. Illustrated with Susan L. Roth's stunning collages, this amazing true story demonstrates how the love of books and libraries can unite a country, even in the midst of turmoil.

Dark Around the Edges - Katherine Black 2007-07

Who Is Tulovski? It still hurt. One week, two days and fourteen hours after the momentous event it still hurt like hell. The object of her misery was coming around that night to collect the last of his stuff. She felt sick when she thought of the hussy's hands all over him, touching him, caressing him, wanting him. Damn the thoughts that wouldn't go away. Day and night they pestered her, prying at the edges of sleep and forcing it back so that her wilting eyes flew open under a barrage of painful images that she'd rather not imagine. And that was how the plot came to be hatched. It shot across her thought process as she lovingly ironed along the seam of his fly on the dark grey boxer shorts, the ones with the tiny hole in the material of the left buttock. "I'll tell him I've met somebody else," she said aloud. She actually enjoyed doing the rest of the ironing and by the time she had pressed the last of his fourteen shirts she had invented, built and fleshed out, the 'perfect' partner.
